## Rising Stars Tennis Camp

**Ages** | **12:00 - 2:30 PM**  
9-14 | Monday - Friday

The Rising Stars camp is designed for players, ages 9 - 14. The camp is for both beginner players that are new to the sport, along with intermediate players that have spent time on a tennis court already. Players will be separated into groups based on age and skill level.

Each afternoon, instructors will introduce a new "Stroke of the Day." After a visual presentation of how the shot is hit, there will be instruction with a heavy focus on learning the appropriate technique associated with that particular shot. Campers will then be able to implement the 'stroke of the day' in various drills, mini-games, and eventually challenge themselves to apply their new skill in matchplay later that afternoon. In each day of camp, players will quickly progress as they learn the basic fundamentals required to give them a strong tennis foundation.

Not only will they see their physical skills improve, but players will learn the importance of the mental game. Proper on-court etiquette, sportsmanship, and the power of positive thinking will be characteristics heavily promoted and rewarded by coaches.
